23-27 August 2023
Event Cinemas George St

23 Aug - 3 Sep
On Demand Nationally

15-17 September
Blue Mountains

Welcome!

It's with great excitement that Queer Screen is celebrating not only its 30th year of existence, but also the 10th edition of our mini festival. I was one of the founding Board Members who organised the first edition, it was run entirely by volunteers and screened 7 films. Over the years it has continued to grow and 2023 will bring a hybrid festival featuring 38 films across 21 unique programs. We kick off with the best lesbian film I've seen in years on opening night and close it out with a witty musical theatre comedy, which comes straight from closing Melbourne International Film Festival. Slide into cinema, community and stories.

Lisa Rose
Queer Screen Festival Director

Blue Jean

Directed by Georgia Oakley | UK | English | 97 mins | Unclassified 15+

In Thatcher-era England, PE teacher Jean leads a double life. Closeted at work, she spends her nights with out-and-proud butch girlfriend Viv. But when a student spots her at a lesbian bar, Jean's carefully compartmentalised life begins to crumble. Set in the shadow of Section 28, forbidding the promotion of homosexuality in schools, this riveting debut is one of the best lesbian films in years and is more timely than ever as similar anti-LGBTIQ+ legislation is proposed around the world. Content warning, see website. **Opening Night Party tickets are available.**

CLOSING
NIGHT

Directed by Molly Gordon, Nick Lieberman | USA | English | 94 mins | Unclassified 15+

After the founder of a scrappy summer theatre camp falls into a coma, its eccentric staff and students must band together to save it from closure. When her clueless tech-bro son steps in to run the show, drama instructors Amos (Ben Platt) and Rebecca-Diane (Molly Gordon), and production manager Glenn (Noah Galvin), are convinced the only way to keep the camp afloat is to stage a show-stopping original musical, in this farcical tongue-in-cheek mockumentary. *Theater Camp* will send Queer Screen Film Fest out on a high note.

[Followed by a Q&A with the filmmakers.](#)

Adopted Asian-American teen Twinkie is used to not fitting in. And now, having come out to her conservative white parents as gay – or potentially bi, but definitely not interested in best friend Egghead – Twinkie really has no choice but to follow her heart. Even if that means stealing her dad's car, and tricking Egghead into running off to Texas to meet up with her online girlfriend, in this journey of self-discovery and friendship.
